Kitchens | Trade

The ultimate combination

A superb product. At the right price. Delivered on time.

What we have on offer will certainly exceed your expectations, our kitchens have the build quality like nothing else on the market.

Harnessing our robust manufacturing capabilities and employing lean production methods, we assure competitive pricing across a spectrum of projects – whether you're seeking budget-friendly options or premium kitchens, we consistently optimise your return on investment.

Our substantial investments in cutting-edge technology and streamlined processes enable us to provide a swift and efficient design and quotation service, ensuring timely delivery on every project.

The Orb Promise

- 99.2% on-time delivery performance.
- Lifetime warranty on internal hardware.
- 10 year warranty on Cabinets.
- 6 Year warranty on all doors.
- European made soft-close hardware.
- 18mm back panels (8mm on wall units).
- Fully assembled units.

Our Values

Orb is founded on four core business values deeply ingrained in its DNA...

- Quality
- Affordability
- Reliability
- Honesty

Every product undergoes rigorous testing to ensure it meets our high standard of durability. And our prices stand toe-to-toe with the industry's best, ensuring our customers receive optimal value for their investment.

We are dedicated to nurturing long term relationships with our customers, assuring them that their kitchens are in capable hands while they focus on transforming visions into reality.

To facilitate this commitment, we have committed substantial resources, investing hundreds of thousands of pounds in internal software and processes. This investment ensures our customers experience peace of mind through full transparency in every aspect of our service.

Looking for something special?

We also have a premium range to suit any budget, please speak to one of our sales team for a helping hand.

Three door styles, lets keep things simple.

We like to keep things easy at Orb, while we have only three styles, there are around 400 colours and textures to choose from. Keeping our style range to a minimum means we can keep costs to a minimum too.

Create a personal look by adding a handle of your choice to one of our modern doors.

Matt, Gloss, Wood & Concrete Effect

With so many doors to choose from you are sure to find the perfect companion for your project. Our design team are more than happy help with colour schemes as well as a design tailored to your requirements.

For a minimalistic look we offer a great selection of linea doors.

Kitchens

Linea

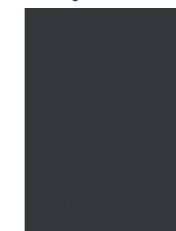

Handleless kitchens are becoming forever more popular so we have created a range to cater for this ongoing trend. A sleek and practical option, as well as being able to choose from our vast array of frontals the rail system can also be customised.

Linea Verge - Silk Matt Lacquer

Our Verge door is our most popular frontal, using cutting edge lamination technology to create a unique finish. Scratch resistant and colourfast to ensure your kitchen will be looking sharp for many years to come.

Colours & Textures

Keeping up with current trends is important to help get ahead. Our full scale range of decors includes industrial material reproductions such as metal and concrete, as well as soft and elegant marbles. Our wood effect range is ever increasing with more choice than ever before.

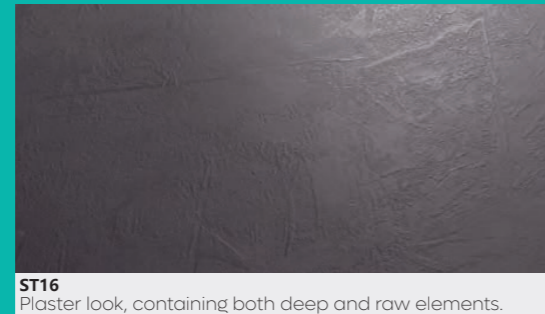

Over 400 to choose from, Find your perfect match

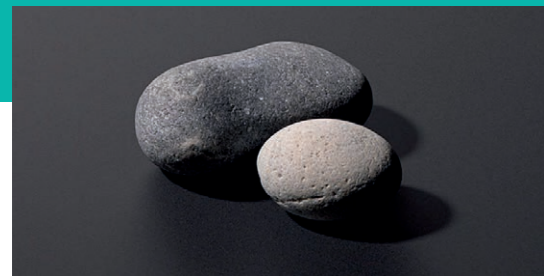

Our colours and textures look and feel like the real thing. From subtle matt uni colours to bold deep woodgrains our textures work well on their own or in combination to create something unique.

ST37
Authentic solid wood finish, realistic cracks and knots.

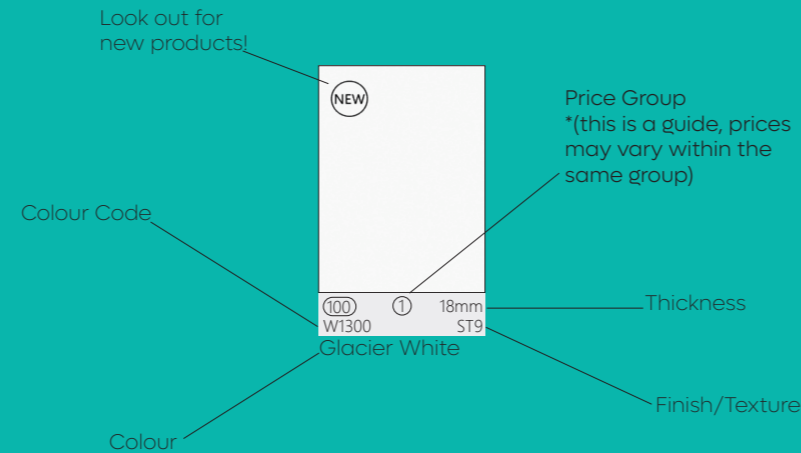

ST16
Plaster look, containing both deep and raw elements.

PM
High quality matt lacquer with a silky feel .

ST19
Wood look, linear finish with a matt-gloss effect.

Get in contact with us for more information on textures.
